ALUMNI DIVERSE CAREER SERIES

OVERVIEW: This monthly speaker series is an opportunity for students interested in careers in Ecology to engage with alumni to explore career paths, learn how alumni used their Ecology degrees in developing their careers, and informally ask alumni for advice and insight.

April 7th – Consulting

April 28th – Hybrid Faculty/Government

May 19th – Government (Policy)

The series may be taken for credit as a 298 class or attended as desired without registering.
