

GRADUATE GROUP IN ECOLOGY
MS Plan I (Thesis) ~ Guidance Committee (GC) Form

First Name _____ Last Name _____

ID number _____ Email _____

Major Professor _____ Department _____

AOE _____ Entry year _____

Check box if this is an update to the original form: Date of update: _____

Prerequisites and Entrance Deficiencies (to be completed in year one):

Information listed below must match the official transcript: course ID, title, units, term planned or completed.

Prerequisite	Course ID and Title	Units	Term	Year	Institution
Intro to Biology					
Intro to Chemistry					
Intro to Physics					
Intro to Calculus					
Intro to Statistics					
Intro to Ecology					

Proposed Plan of Study, minimum 30 units required

Core Course Requirements, 22-28 units:

Information listed below must match the official transcript: course ID, title, units, term planned or completed.

Course ID	Course Title	Units	Term	Institution
* or equivalent course				
ECL 290	Student Participatory Seminar	1		
* or equivalent course				
ECL 296	Ecology and Evolution Seminar Series (taken each quarter in year 1)	3		

Area of Emphasis (AOE) Requirement, 3-4 units:

AOE	Course	Units	Term	Institution
Agricultural Ecology				
Conservation Ecology				
Ecological Genomics & Genetics				
Ecosystems & Landscape Ecology				
Ecotoxicology & Physiological Ecology				
Environmental Policy & Human Ecology				
Integrative Ecology				
Marine Ecology				
Restoration Ecology				

Area of Strength Requirement, 6-8 units:

	Course ID and Title	Units	Term	Institution
Course 1				
Course 2				

Electives (as needed):

	Course ID and Title	Units	Term	Institution
Course 1				
Course 2				
Course 3
